IN MEMORY OF MISS NELLIE LEEN.

Farewell, Nellie, we will miss you,
Your dear face we will see no more,
And your smiles that always cheered us,
And your voice so sweet and low.
In that light and heavenly mansion,
With our holy Mother blest,
With the angels who are singing
Praises to our God and King.
We would not call you back again
Even if it so could be,
For in heaven you are happy—
Happier far than are we.
Oh, yes, the choir will miss you!
And your loss we deeply feel;
That in heaven may God unite us
We pray as we humbly kneel.
M. A. T.

One Week's Work—A Magnificent Showing.

Four New Factories Located—Three New Stores—Five New Dwellings—Business and Work for Everybody—A Fine Elevator Completed—A Magnificent Three-Story Brick Hotel Under Way—Other Enterprises Being Performed.

"Since the last issue of the Journal, contracts have been entered into for eleven new houses, consisting of stores, factories and dwellings. On Tuesday the contract was let for a carriage factory, two stories in height, which will be occupied by Fay Bros., late of Humboldt, Kansas. The machinery and goods for the factory and for four or five families connected therewith were shipped Friday.

The stove foundry building will be of stone, 40x50, and will be occupied by a firm from southern Kansas. Mr. Larkins, of Illinois, is on the ground, making arrangements for the construction of a woolen mill, two stories high, with engine room, wash rooms, store rooms, etc. They will occupy one and one-half acres on the north side of Ohio avenue, on the west side of town, extending back to Spring creek. As soon as the building is completed, machinery will be put in for the manufacture of cassimere, hannels, blankets and hosiery.

A contract has also been made for the erection of a soap factory, work on which will shortly commence. Mr. L. M. Ely, of Iowa, has purchased two lots at the corner of Kansas avenue and A street, and will at once erect a store building, two stories high, for a complete stock of hardware, stoves, tinware, etc., and will employ a tinner for roofing, etc. Work on this building will begin at once.

J. B. Ziegler has ordered lumber to erect a hardware store on Colorado street, and will also put in a fine line of goods. Mr. John Heck has the lumber on the ground for a two-story business house on lot 28, block 29, which will add much to that part of town.

In addition to these, the new elevator already spoken of, will be completed this week. This elevator, with a capacity of 50,000 bushels of grain, is fitted throughout with new machinery, including a new 10-horse engine, and will do much towards drawing trade to Kanopolis.

Contracts were let Tuesday for four new dwellings, each to contain four or five large rooms. Mr. A. Wisley is also laying the foundation for a residence on Colorado street.

In addition to these there are several parties in town proposing to build, who have not yet perfected their plans. Another thirty days will see the Central City of Kansas far on the road to improvement, with a handsome new depot to receive her visitors, a magnificent hotel to entertain them, and enterprises enough on hand to give employment to all who want it."

(The above is taken from the Kanopolis Journal of September 16.)
